---

This matter comes before the Public Service Commission of South Carolina (the Commission) on two Motions from Gary C. Pennington, Esquire on behalf of VoiceMagic, Inc.

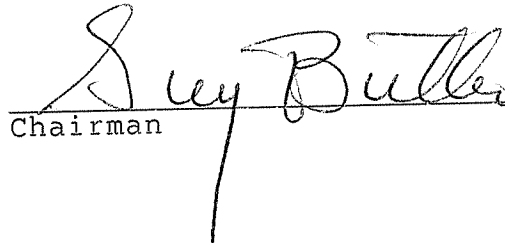

The first Motion requests an extension of time to file testimony and for a continuance of the hearing. The grounds for this Motion are that Pennington has just acquired this case, and needs additional time to prepare on behalf of his client. We grant this Motion. Complainant (South Carolina Telephone Association or SCTA) shall file testimony and exhibits on or before January 15, 1998. The Respondent (VoiceMagic, Inc.) shall file testimony and exhibits on or before January 29, 1998. Each party shall serve the other with copies of testimony and exhibits, as per the Commission's rules. The hearing in this matter shall be held on Thursday, February 12, 1998 at 2:30 P.M. in the offices

of the Commission.

The second Motion filed by Pennington is for a more definite statement of the complaint by the Complainant. We have examined the complaint filed in this matter by SCTA, and have determined that its definiteness is sufficient to inform VoiceMagic of the complaint against it. We therefore deny Pennington's second Motion.

This Order shall remain in full force and effect until further Order of the Commission.
